

9HEATHFAIR 2018

So, it's that time again! The **2018 9HEALTHFAIR** is upon us. We begin our first fair in early April. The following ones fall mainly between April 21st and the 29th and then again in early May and one in the beginning of June. We are hoping to cover Denver, Arvada, Lone Tree, Littleton, Lakewood and possibly some other parts of Metro Denver. Our intention is to introduce Overeaters Anonymous information to those who struggle with our disease and are unaware that OA exists. Please consider giving back to your recovery by participating and manning a table at one of our venues. Pick a time and location that works for you. The dates and locations will be listed on our website, OADenver.org. Each shift is divided into 2 1/2 hour time slots, manned by either one or two fellows. All that is required is a warm reception by you for those approaching the table, and handling out literature. Extending the hand to those who still suffer in this format, is a lovely way to do service. Everything is provided including directions, assistance with dialog and the supplies. Our literature states that in order to keep what we have so generously been given, we need to give it away. Strengthen your recovery and make a difference.

Editor: It is only months away from September 14- 16, a fantastic weekend retreat in Estes Park - "From Desperation to Transformation". Below are the words of CCIG Chair, Carrie S:

We, here in Colorado, are in the midst of some strong revival. The energy around our upcoming Sept. 14-16 event is firing up! In just a few weeks, we have registered OA members from British Columbia, Illinois, North Carolina, California and Canada! There really is a renaissance happening in OA. Grab onto the nearest recovered member, and ask how he or she is achieving it! Carrie S.
